ADVISORY OPINION NO. 1987-03

March 2, 1987

SUBJECT: REPORTING OF FUND-RAISING EVENTS

ADVISORY OPINION

Funds received at a fund-raising activity are aggregated for reporting purposes and any contribution or entrance fee of \$101 or more must be reported. The “common source” rule applies to fund-raising activities. Contributions from members of the same family, firm or partnership, or employees of the same person must be aggregated.
